NOEL S. SALVA

IT SPECIALIST / GRAPHIC ARTIST / DATA ANALYST / BOOKKEEPER

SQL | PYTHON | POWER BI | EXCEL | DATA ANALYSIS

PROFESSIONAL SUMMARY

Computer Science graduate with experience managing and operating a photography business from 2018–2024, including handling business records, customer information, sales tracking, budgeting, and day-to-day operations. Recently completed the Intuit Academy Bookkeeping Professional Certificate and developed knowledge of accounting principles, bookkeeping processes, financial statements, debits and credits, accounts receivable and payable, and financial reporting. Also experienced with Excel, data analysis, and business reporting. Strong analytical thinking, attention to detail, organization, and problem-solving abilities. Seeking an entry-level Bookkeeper, Accounting Assistant, or Finance Assistant position where technical and bookkeeping skills can support accurate financial recordkeeping and business decision-making.
